PROFESSIONAL SUMMARY

Multidisciplinary visual artist and character designer with a strong background in fine arts, ceramics, and digital production. Experienced in full-pipeline character creation, from initial 2D concept sketches and illustrations to stylized 3D modeling and texturing. Proven track record in executing commercial mural commissions and freelance character designs.

CORE SKILLS & PIPELINE

Digital 2D Art & Comics: Character Design, Environment Design, Comic Art & Storytelling, Digital Painting, Mixed Media.
3D Production & Animation: Stylized 3D Character Modeling (Blender), Asset Creation, 2D Animation.
Traditional Arts: Acrylic Painting, Sculpture & Ceramics, Large-Scale Murals, Sumi-e.
Software: Blender, Krita, Photoshop, Synfig, Figma, Unity.

WORK EXPERIENCE

Freelance Character Designer & Concept Artist | Auroscurro (2024–present)
- Developed character concepts, 2D illustrations, and 3D reference models (e.g., Jack and the Beanstalk rethinking project) for 2D animation.
- Created detailed character designs and anatomy-focused anti-war concept art (The Archer) integrating complex sci-fi elements, armor ergonomics, and lore.

Art Teacher in Idea Studio (2026)
- Teaching kids and adults art, composition and doing different art tasks.

Mural Artist | Kaufland Moldova ("Change through art" Campaign)
- Designed and executed a large-scale indoor mural ("Irreplaceable gift") in Kaufland shop on Kiev 7 street, Chisinau. Handled full execution from composition to final paint, promoting environmental sustainability.

Sumi-e Workshop Leader | Plai Gallery
- Led traditional Sumi-e painting workshop, sharing artistic knowledge and teaxhing people to create traditional sumi-e illustrations.
